

It's Here! The UnitedHealthcare[®] Consumer Accounts MasterCard[®] Card

The UnitedHealthcare Consumer Accounts MasterCard[®]

If you enroll in a UnitedHealthcare Dependent Care and/or Health Care Flexible Spending Account, you will have fast and convenient access to your funds!

How? With your new Consumer Accounts Card!

One day after you activate your card, you are ready to use it! Depending on your plan configuration, you can use it at approved locations to pay copayments or coinsurances associated with eligible prescription, office visit, hospital, emergency room, vision, dental and mental health expenses. You also can use your card at participating pharmacy benefit plans for prescription liability amounts, such as deductibles and discounted rates.

You won't have to submit claims and wait for reimbursement and you won't have to use credit cards, checks or cash to pay for charges up front.

It's that easy!

The Card is another great reason why you should enroll in UnitedHealthcare Flexible Spending Accounts!

If you choose to participate in a Health Care and/or Dependent Care FSA, you will receive more information along with your new Cards.

If you have any questions about the Consumer Accounts Card during open enrollment, just call 1-866-680-0994 toll-free.
